### Required Primary Underlying Liability Insurance Policy Limits

You and your family members must carry the minimum required underlying coverage limits summarized in the chart below. If you do not, you will have a gap in coverage. The **Group Personal Excess Liability Insurance** policy applies above the required underlying limits listed below. These limits are typical of the underlying limits most insurance companies require for a personal excess policy.

**Important:** Contact your personal insurance representative to ensure that your personal insurance program has the required underlying limits to avoid a gap in coverage. **This does not provide additional coverage over your OMSNIC or MGE professional liability limits.**

	Coverage	Underlying limits
Home	<b>Personal Liability/Property Damage</b>	\$300,000 per each occurrence
	<b>Personal Automobile Liability</b> Private passenger autos, motor homes, motorcycles and other motor vehicles with less than four wheels <i>(Registered Vehicle)</i>	<ul style="list-style-type: none"> <li>• \$250,000 bodily injury per person, \$500,000 bodily injury per each occurrence and \$100,000 property damage per each occurrence; or</li> <li>• \$300,000 bodily injury per person, \$300,000 bodily injury per each occurrence and \$100,000 property damage per each occurrence; or</li> <li>• \$300,000 combined single limit per each occurrence</li> </ul>
Auto	<b>Personal Automobile Liability</b> <i>(Unregistered Vehicle)</i>	• \$300,000 bodily injury and property damage per each occurrence
	<b>Uninsured Motorist / Underinsured Motorist Protection</b>	<ul style="list-style-type: none"> <li>• \$250,000 bodily injury per person, \$500,000 bodily injury per each occurrence and \$100,000 property damage per each occurrence; <b>OR</b></li> <li>• \$300,000 bodily injury per person, \$300,000 bodily injury per each occurrence and \$100,000 property damage per each occurrence; <b>OR</b></li> <li>• \$300,000 combined single limit per each occurrence</li> </ul>
Watercraft	<b>Watercraft</b> • Less than 26 feet <b>AND</b> 50 engine-rated HP or less	• \$300,000 per each occurrence
	• 26 feet or longer <b>OR</b> more than 50 engine-rated HP	• \$500,000 per each occurrence

**Please Note:**

- If you carry limits that are higher than the minimums required under the plan, you can either reduce your underlying limits to the required minimums, or you can continue to maintain the higher limits. If you choose to leave your underlying limits higher than the minimum amounts required, you will simply have more total coverage.
- This program is designed to replace your current personal excess or “personal umbrella policy. A second policy does not result in more umbrella coverage as limits do not “stack”. Cancelling any other policy and increasing coverage through this program may offer the best coverage and cost savings.
